Master Economics of Global Risk *(Conditional) Admission*

Admission Letter

Option 1: No Admission Conditions

- prior experience in Economics and Statistics at the Bachelor's level
- ❓ start taking Master's level courses aligned with the EGR program (register for courses in StudIP*)

Option 2: Conditional Admission

- No or not enough experience in Economics and/or Statistics at the Bachelor's level
- ❓ take additional Bachelor-level courses alongside your Master's studies (take both types of courses in parallel)

* We will talk about StudIP later.

Conditional Admission

! Conditional admission Master EGR: In the first two semesters, 30 ECTS in the field of economics must be completed additionally. For this purpose, all bachelor's modules from the Department of Economics and Business Studies (FB 02, JLU) with the module code 02-VWL: BSc... and the moduls Introduction to Microeconomics and Introduction to Macroeconomics can be taken. (31.08.2024)

Each course has 6 ECTS,
so that:
30 ECTS = 5 Courses

- Don't worry, we have enough English-taught courses on Bachelor level!
- Most of them are available online as videos, so you can take them from anywhere
- Just a heads-up: You need to meet all the required conditions for the admission within the first two semesters. Unfortunately, there's no way to extend the deadlines, even if you arrive late due to visa issues or other delays.

Conditional Admission: Bachelor courses in English
