Academic English Course Grammar and Writing Advancement

Academic English: Grammar and Writing Advancement

23 April 2024 – 16 July 2024

Are you a student of the sports sciences and would you like to enhance your English skills for academic and professional purposes? Then sign up for this study accompanying English course in which you will be given the opportunity to:

- hone your grammar skills for the reporting of academic and scientific data results
- improve your writing skills with text types needed for your studies
- advance your overall English language skills for more successful academic studies

Participation is strongly recommended for those who wish to improve their language skills. Credit points cannot be awarded. However, a certificate of participation can be issued on request.
