

Internship program of Schiller Institute in Qingdao, China

青岛席勒学院（中国）实习生计划

Intro

简介

The program, in order to enhance the communication between China and German-speaking countries, is launched and operated by Schiller Education and Services (China) Co, Ltd.

本项目由席勒教育服务（中国）有限公司发起主办，旨在加强中国与德语区国家之间的文化交流。

It provides participants an opportunity to know about a real China and gain some working experience in multi-culture communication and education.

项目为参与者提供了一次亲身了解中国，同时还能积累一点不同文化间交流、教育等领域的工作经验。

During the past 8 years, many university students from Deutschland and Austria joined the program, shared their perspective of their own country and culture with our Chinese customers who are mostly university students at the same age, and enjoyed a happy time in China. As the win-win outcome we have experienced within these years, we would like to continue with the program this year.

在过去 8 年里，多名来自德国和奥地利的在校学生参与了我们的实习生项目，他们与我们中国的客户，也是同龄的在校大学生，分享了他们对自己祖国和文化独特，有趣的见解，同时，也在中国度过了一段美好的时光。经过近几年的尝试，我们看到了项目展现的双赢局面，因此我们将在今年对项目进行升级。
