VIRTUAL INTERNATIONAL PROGRAMME (VIP)

TAILORED TO THE NEEDS OF INTERNATIONAL STUDENTS
FROM PARTNER UNIVERSITIES OF JLU GIESSEN

1. GENERAL INFORMATION

The Virtual International Programme (VIP) was launched in the winter semester of 2020/21. It provides an additional exchange opportunity for students from our partner university twice a year. The VIP includes a range of courses that are revised on a semester basis, as well as a selection of regular courses that are continuously available. VIP courses form part of JLU's curriculum, enabling JLU and international students to collaborate within a digital classroom.

Since launching in 2020, the VIP has welcomed between 350 and 500 virtual exchange students each semester. Every semester, students can choose from about 50 courses offered by all 11 faculties of JLU, available to both Bachelor's and Master's students.

Recently, the course catalogue has included courses taught in English, German, Spanish, French, Portuguese, and Arabic.

In the context of remote internationalization, VIP presents an opportunity to gain an international experience from the comfort of home, with a focus on inclusivity and sustainability.

4. E-MENTORING TEAM & ACCOMPANYING PROGRAMME

The E-Mentors are JLU-students from different faculties who help international virtual Students with day-to-day life. Provide personal advice on student issues by e-mail and video call as well as tech-Support.

- **ONLINE ORIENTATION WEEK:** At the start of each semester, JLU conducts a virtual orientation week specifically designed for international students. The sessions provide crucial information about the university's organization, as well as guidance on the IT tools and administrative systems utilized at JLU.

- **ONLINE INFORMATIONAL & SOCIAL EVENTS:** Throughout the semester, various online meet-ups and social gatherings are arranged to address inquiries related to academic studies at JLU and to foster connections among students. On the first and third Monday of each month, Question Monday provides insights into topics relevant to studying at JLU. Moreover, each Wednesday we host a casual Online Get-Together, providing students with an opportunity to connect outside the academic setting.
