Memorandum of Understanding	19.01.2019	16.04.2019

Macquarie University (MQ), and Justus Liebig University Giessen (JLU), Germany, mutually declare themselves to be partners of this memorandum:

Both parties are convinced that scientific collaboration in terms of joint research and teaching as well as student exchange and other forms of academic cooperation are highly beneficial for both partners. Therefore, for the purpose of jointly strengthening MQ and JLU through an enhanced level of collaboration, both partners express their willingness to create reciprocal institutional visibility and mutual awareness. To this end, both partners declare that they are willing to provide office space free of charge – depending on availability – as well as the free use of office infrastructure for members of the other institution to establish reciprocal JLU - MQ Information Points. In effect, the reciprocal Information Points will host contact persons of the respective partner institution. The range of activity includes:

- the coordination of information events,
- the promotion of study and PhD programmes,
- the recruitment of students, doctoral candidates and post-docs, as well as
- counselling and support to strengthen scientific cooperation between members of JLU and MQ.

Concrete measures shall be coordinated consensually between Macquarie University and JLU. The aim of this memorandum of understanding is to create a stronger institutional visibility for the international research and study programmes of the respective institution as well as to facilitate joint projects between Macquarie University and Justus Liebig University Giessen.
