

15th STS Meeting

Signal Transduction - Receptors, Mediators and Genes

Leonardo Hotel, Weimar
November 7 - 9, 2011

Signal Transduction Society
STS

Gesellschaft für Signaltransduktion
GST

Society for Biochemistry
and Molecular Biology **GBM**

Gesellschaft für Biochemie
und Molekularbiologie **GBM**

The Contribution

**A role of Cyclin-dependent Kinase 6 (CDK6) in inflammatory
gene expression**

by

Katja Handschick

was rewarded the

GBM Innovation Award 2011

for Young Scientists

sponsored by

(EUR 250,--)

Prof. Dr. Klaudia Giehl
GBM Study Group
'Biochemical Pharmacology
and Toxicology'

PD Dr. Christine Blattner
GBM Study Group
'Receptors and
Signal Transduction'

On behalf of the **Society for Biochemistry and Molecular Biology (GBM)**
